Copies are to be kept for application archives of the Embassy. Each applicant must have his/her own copies of each required document (even when travelling as a family or group).
- **Documents** : The Embassy will evaluate the documentation and has the right to request additional documents where necessary at any point in time. Presentation of fraudulent documents is punishable by law.
- **Payment slip & application form** : Make sure to take your proof of payment (printed) and application form (printed) with you to your appointment. Otherwise, your appointment cannot go forward, and you will have to rebook.
- **Submitting a complete application** : applicants are solely responsible for their application submission. Submitting an incomplete application will lead to a delay in the processing of your application as the Embassy will have to ask for the missing documents.
